COMPLETION DEADLINE FOR 12
DAYS**

AND ORDER

BAE SYSTEMS LAND & ARMAMENTS
LP,

Counterclaimant,

v.

MACH-T3 ENGINEERING, LLC,

Counterdefendant.

WHEREAS, the parties met and conferred regarding ADR and stipulated, pursuant to Civil
L.R. 16-8 and ADR L.R. 3-5, to private ADR;

WHEREAS, on November 19, 2009 and based on the parties' stipulation, the Court
ordered (Dkt. No. 11) that the matter is referred to private ADR and that ADR shall be completed
within 90 days of the Court's order, *i.e.*, by February 17, 2010;

///

WHEREAS, the parties agreed to use the Hon. James Warren (Ret.), of JAMS, as mediator and further agreed to February 16, 2010 as the date of the mediation;

WHEREAS, the parties timely submitted their mediation statements to the mediator on February 9, 2010;

WHEREAS, on February 10, 2010, counsel for defendant was advised that his client's intended representative at the mediation, who was in Australia on business but had expected to return to California in plenty of time for the mediation, would be unavoidably delayed in his return to California and would not be able to attend the February 16 mediation;

WHEREAS, defendants' counsel immediately the same day, February 10, 2010, advised plaintiff's counsel and JAMS of the situation and arranged, with the consent of all concerned, to reschedule the mediation for February 22, 2010;

NOW, THEREFORE, IT IS STIPULATED that the deadline for completion of ADR in this matter is extended from February 17, 2010 to March 1, 2010. The extension of the ADR completion deadline will not require that any other court-ordered dates in this litigation be extended or otherwise changed.
